Solidity

SP-DIM

Smartmedia's electric wall mount for monitors SP-DIM is height-adjustable via remote control thanks to an electric motor. It comes with standard VESA mount and is compatible with monitor sizes ranging from 32" to 90".

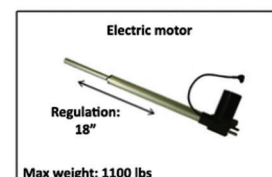

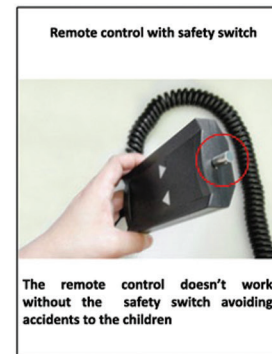

### Optional accessories:

This locking storage cabinet is great for notebooks and accessories. It is made of steel and fits notebooks with 10- to 19-inch displays. It can be used as a shelf when opened and is ideal to protect your equipment when locked.

### Specifications:

Adjustable height range of 18" - Max weight supported: 330 lbs - Size (L x H x D): 39.37" x 42.13" x 9.45" (minimum height) - Size (L x H x D): 39.37" x 59.84" x 9.45" (max height)
